FURTHER EDUCATION & CERTIFICATIONS

06/2025 – 12/2025

velpTEC GmbH, Hamburg (Online Course)

Online Professional Training: React for Frontend Development with a focus on web applications, including additional qualifications in Scrum and DevOps

I developed modern web applications using HTML5, CSS3, JavaScript, and React, applying responsive web design and UI/UX principles. I used Git, GitHub, and other modern development tools, and implemented interactive frontend components in React. In addition, I gained knowledge of Scrum methodologies and foundational DevOps concepts.

03/2023

it-agile GmbH, Hamburg

Certified Scrum Developer (CSD)

11/2022

Workshops.de
